

# EKO

## Quickstart Guide

### SAFETY INSTRUCTIONS

To disconnect the product from the electrical Power Supply, remove the power cable plug from the wall socket. The wall socket must be easily accessible and in close proximity to the product.

Read these instructions carefully. Save these instructions for future reference.

Follow all warnings and instructions marked on the product.

Do not use this product near water.

Do not place this product on an unstable cart, stand, or table. The product may fall, causing serious damage to the product.

Only use power supply unit and cables released by AURES.

Do not allow anything to rest on the power cord. Do not locate this product where persons will walk on the cord.

Never spill liquid of any kind on the product.

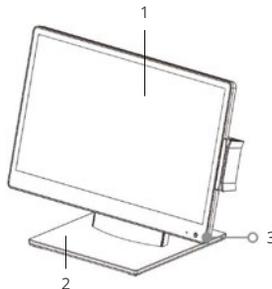

Ensure that the device connects to a socket/outlet with ground/earth connection.

### CE NOTICE

This device complies with EMC Directive 2014/30/EU and "Low Voltage Directive" 2014/35/EU issued by the Commission of the European Community.

REL 1.0 September 2024

Model Number	EKO 15,6"	
CPU	Rockchip RK3399 (up to 2.o GHz)	
Storage	eMMC 64GB	
Memory	4GB DDR4	
Display	15,6" TFT LCD FullHD (1920 x 1080)	
Touch	Projective Capacitive Touch	
External I/O	USB-A	4 USB2.0 ports
	RS232	1 port (RJ45)
	LAN	Gigabit LAN (10/100/1000M BASET LAN)
	Audio	HD Audio
	C-type	1 port
	Mini DP	MINI-DP
	Cash Drawer	Self Define RJ12 Connector
Wi-Fi / BT	WLAN (802.11 a/b/g/n, 2.4G/5G), BT4.0 - combo module	
Speaker	Embedded	
Power Supply	12V/5A Adaptor	
OS Support	Android 12 (GMS)	
Operating Temperature	0°C ~ 40°C at 10% ~ 80% humidity	
Storage Temperature	-20°C ~ 60°C at 10% ~ 80% humidity	

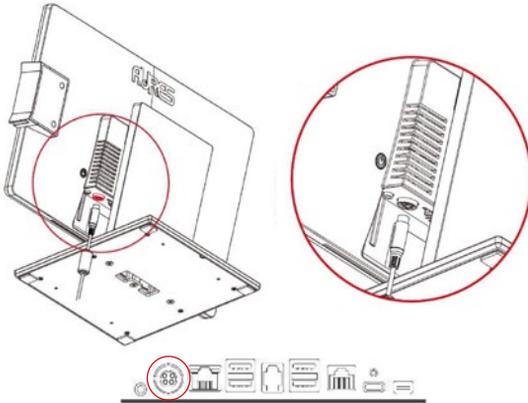

1. Screen
2. Stand
3. ON/OFF touch button

**Dimensions**  
366.7 x 200 x 276.9 mm

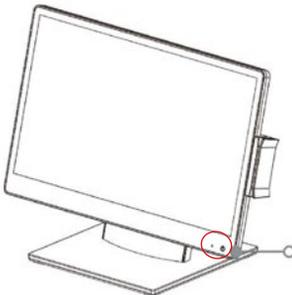

## Assembly procedure

1. Connect all the cables to the relevant I/O

2. Connect the PSU passing the cable through the hole

3. Turn on using the touch button.  
Press the button until the unit starts.

**USER  
MANUAL**

## WEEE NOTICE

The WEEE mark applies only to countries within the European Union (EU) and Norway.  
This appliance is labeled in accordance with European Directive 2012/19/EU concerning waste electrical and electronic equipment (WEEE). The Directive determines the framework for the return and recycling of used appliances as applicable throughout the European Union. This label is applied to various products to indicate that the product is not to be thrown away, but rather reclaimed upon end of life per this Directive.

## FCC NOTICE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the Federal Communications Commission (FCC) Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Increase the separation between the equipment and the receiver.
  - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer or an experienced radio or television technician for help.
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
